

REMARKS

This Amendment is responsive to the Office Action mailed on June 27, 2005. Claims 1-22 are pending. Claims 1 and 12 are amended. The Examiner has allowed each of the pending claims.

The Examiner has objected to the specification as failing to include section headings. Applicant has amended the specification herein to include headings as required by the Examiner.

The Office Action further indicates that the specification should be double-spaced. In a telephone discussion with the Examiner on August 16, 2005, the Examiner indicated that the current 1.5 line spacing of the specification was acceptable. Withdrawal of the objections to the specification is respectfully requested.

The Examiner has also objected to informalities in the language of claims 1 and 12. Claims 1 and 12 are amended herein as required by the Examiner. Withdrawal of the objections to claims 1 and 12 is respectfully requested.

Applicant respectfully submits that the present application is now in condition for immediate allowance.

If there are any remaining issues that need to be addressed in order to place this application into condition for allowance, the Examiner is requested to telephone Applicant's undersigned attorney.

Respectfully submitted,
